ARTISTIC DIRECTOR'S MESSAGE

This season will be unified by the theme of **'CONTRASTS'** and will draw heavily on scores from our extensive music library.

Our first concert back will **contrast** well-known seasonal music with beautiful, more recent compositions. We are delighted to be joined by a brass quintet and the evening will end with several audience sing-along carols, to send everyone out into the night glowing with good cheer.

Our second concert **contrasts** home-grown, Canadian compositions with music from elsewhere, including some catchy Broadway hits.

"IF MUSIC BE THE FOOD OF LOVE, PLAY ON,"

– Twelfth Night, William Shakespeare.

Our final concert will be a sumptuous feast of music, **contrasting** the *Requiem* by John Rutter as a main course, with a side-order of Stanford, plus some delicious 'desserts' and colourful 'wine-pairings'.
